**American Israel Education Foundation (AIEF)
Educational Seminar in Israel
Congressional Staff
August 4-12, 2018**

Addendum

2. Description of the Trip

This seminar, which will be on the ground in Israel for seven days, is specifically designed to explore foreign policy and defense issues related to the U.S.-Israel relationship. Some of the key issues to be addressed include: Iran's continued malign regional activities; the impact of Syrian civil war along Israel's northern border; the internal political situations of both Israel and the Palestinian Authority, the status of the peace process; and the expanded cooperation between the U.S. and Israel in fighting terrorism and proliferation.

The seminar will consist of discussions with Israeli government officials, military officers, Members of the Knesset, Palestinian representatives and U.S. officials, as well as site surveys of the northern border with Lebanon and Syria, the southern border with the Gaza Strip, and the security fence. The seminar also aims to provide the political, historic, and religious context to the current conflicts and issues facing Israel and the region. It will explore the connection the three monotheistic religions have with the land and the influence this connection has on today's struggles. In addition to formal meetings and briefings, the trip provides experiential opportunities to help better understand the geographical complications, the security implications, and the historic root causes of the current conflicts.

14. Sponsoring Congressional Trips

Founded in 1990, the American Israel Education Foundation (AIEF) funds Israel Seminars for members of Congress, Capitol Hill staffers, students, political consultants, as well as religiously motivated pro-Israel Christian, Latino, African American, Progressive, and Veteran leaders. These trips to Israel are among the most critical programs AIEF supports on behalf of the U.S.-Israel relationship. These educational seminars allow policy makers to understand the complex historical, religious and geographic context of the Arab-Israeli conflict. Participants have the opportunity to meet with Israeli government officials, military officers, members of the Knesset, U.S. government officials, Palestinian Authority officials and leading academics and journalists. For many of the participants, who make important decisions impacting Israel and the Middle East, these trips are their first, and sometimes, only exposure to the country.

15. Other Educational Activities

AIEF grants support innovative and award-winning programming that educates a wide array of participants, including college students, members of Congress and their staff, and political professionals.

21. Per Diem

Hotels and meals in each city are within the international per diem for Israel, with the exception of the hotel in Tiberias, which is \$9 over the per diem. It is high season in Israel. The estimate for meal expenses includes the cost for meals, snacks, and water on the bus. It does not include alcohol, as we do not pay for alcohol per Senate ethics rules.
